Morgen Bentsen,

Applicant

Opposition No.: 91188241

REQUEST TO WITHDRAW AS OPPOSER'S REPRESENTATIVE

Opposer's undersigned representative in the above-identified, consolidated oppositions requests to withdraw, pursuant to TBMP 116.02 and 37 CFR Sec. 10.40. The reasons this request is being made are because the undersigned is unable to reasonably communicate with the Opposer's principal such that it is unreasonably difficult to carry out representation effectively. Further, Opposer is behind in paying its bills to the Undersigned.

Opposer was contacted by email and telephone on or about 07/30/2009 and notified of Opposer's representative's intent to withdraw, suggesting that Opposer find other legal counsel, and notifying Opposer of the upcoming date that concludes Opposer's discovery period (09/10/2009). Of course, the undersigned will make available to Opposer its files and records pertaining to this opposition.

On 08/31/2009 Applicant's representative was contacted and has no objection to the Board permitting the withdrawal of Opposer's representative. For the foregoing reasons, the request to withdraw should be GRANTED.

All papers and property that relate to the proceeding and to which the client is entitled have been delivered to the client.
